INDUSTRIAL TYPE AIR CONDITIONERS

Oil and gas industry. Explosion proof- zone1 100% redundant, automatic switching, water cooling units, exproof water chiller for zone1.

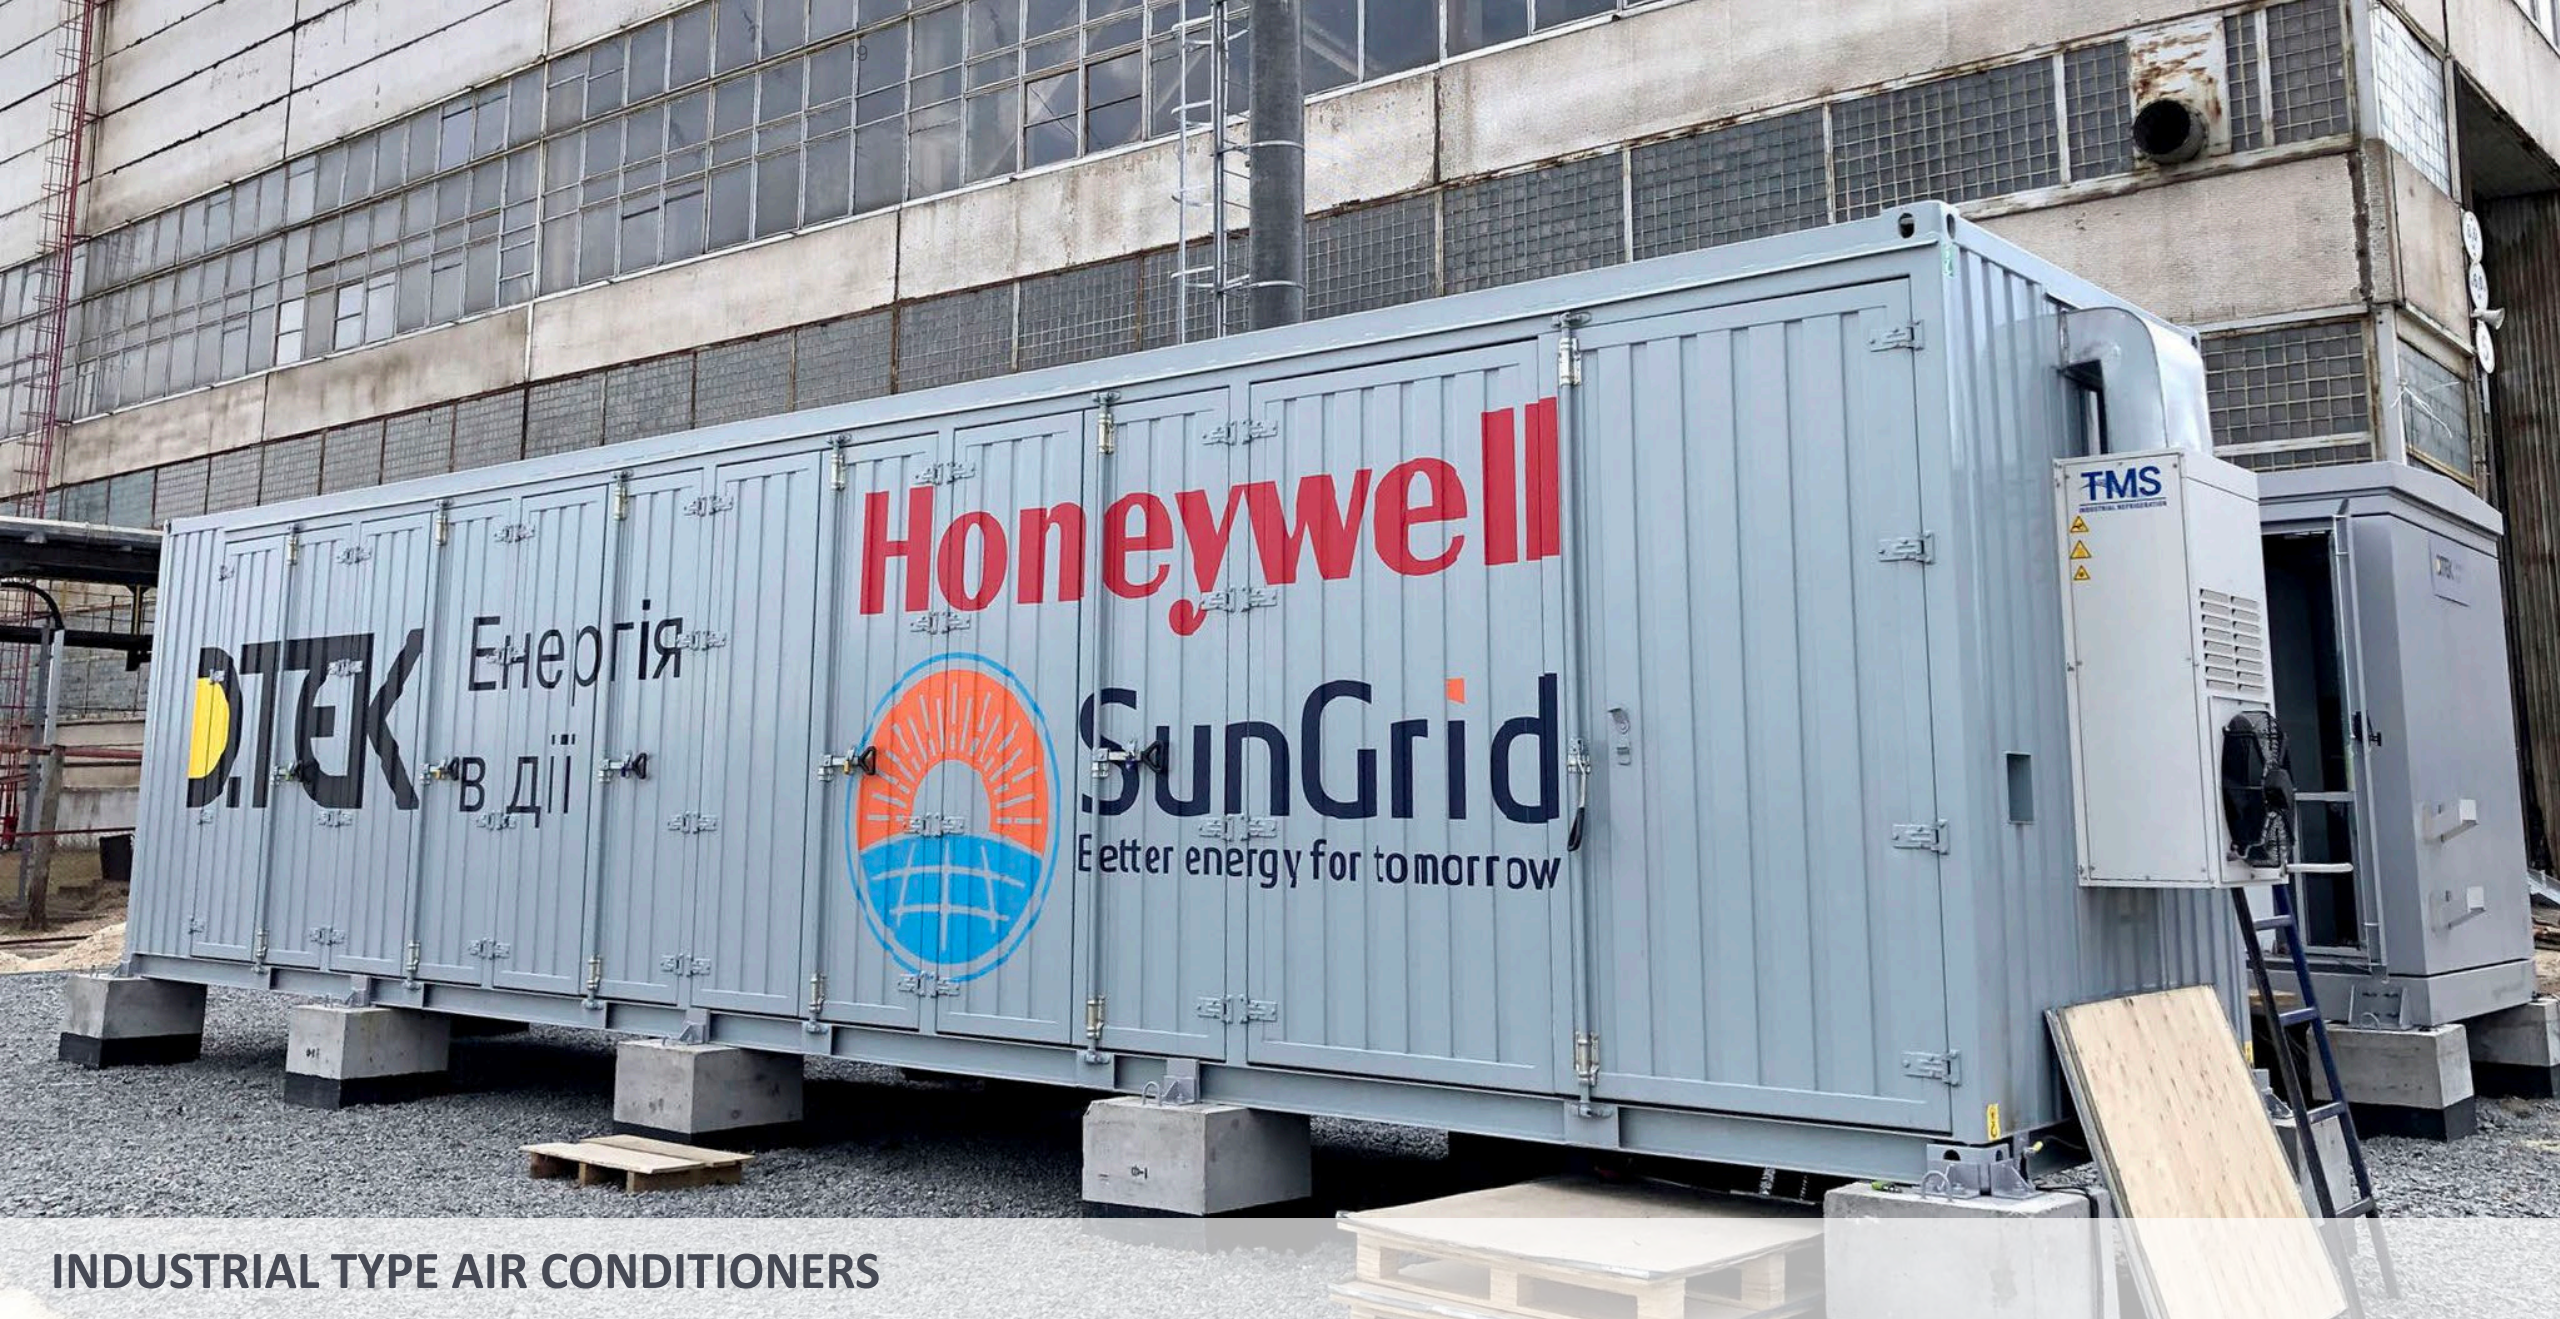

INDUSTRIAL TYPE AIR CONDITIONERS

Electrical room. Heavy-duty, water-cooled package air conditioner.

INDUSTRIAL TYPE AIR CONDITIONERS

Renewable energy. E-house. Battery rooms. Wall mounted package type air conditioning system.

INDUSTRIAL TYPE AIR CONDITIONERS

Renewable energy. Electrical house. Battery rooms. Wall mounted package type air conditioning system.

INDUSTRIAL TYPE AIR CONDITIONERS

Renewable energy. Electrical house. Battery rooms. Wall mounted package type air conditioning system.

INDUSTRIAL TYPE AIR CONDITIONERS

Electrical house (e-house) application for air separation plant. Air conditioning, air purifying and pressurisation. Heavy duty split type A/C units.

INDUSTRIAL TYPE AIR CONDITIONERS

Air conditioning at production hall in steel industry with our heavy duty rooftop A/C units.

INDUSTRIAL TYPE AIR CONDITIONERS

Heavy duty HVAC system with free cooling and pressurization features at electrical and automation room.

INDUSTRIAL TYPE AIR CONDITIONERS

Heavy-duty package A/C systems for furnace control room.

INDUSTRIAL TYPE AIR CONDITIONERS

Electrical room for motor drives. Heavy-duty industrial package HVAC system.

INDUSTRIAL TYPE AIR CONDITIONERS

Electrical room for motor drives. Heavy-duty industrial self contained A/C systems.

INDUSTRIAL TYPE AIR CONDITIONERS

Electric room. Heavy-duty industrial split air conditioners.

INDUSTRIAL TYPE AIR CONDITIONERS

Electric room. Heavy-duty industrial split air conditioners.

INDUSTRIAL TYPE AIR CONDITIONERS

Electrical house (e-house) in steel industry. Heavy-duty industrial package air conditioners.

INDUSTRIAL TYPE AIR CONDITIONERS

Electrical container in steel industry. Air cooled heavy-duty package type air conditioner.

INDUSTRIAL TYPE AIR CONDITIONERS

Cooling systems in hydraulic room. Water cooled self container units.

INDUSTRIAL TYPE AIR CONDITIONERS

Cooling systems in pump station. Water cooled self container units.

INDUSTRIAL TYPE AIR CONDITIONERS

Renewable energy. Electricity rooms, battery rooms, package type air conditioning system.

INDUSTRIAL TYPE AIR CONDITIONERS

Renewable energy. Electricity rooms, battery rooms, package type air conditioning system.

CRANE CABIN COOLERS

Steelworks hot slab handling crane. Electrical room: 3x32kw cooling capacity, redundant split type crane cabin cooler. Operator cabin: package type crane air conditioner

CRANE CABIN COOLERS

Steel melting shop scrap charging crane. Electrical room: 2x25kw cooling capacity, redundant split type crane cabin cooler. Operator cabin: split type crane cooler

CRANE CABIN COOLERS

Hot rolling mill crane. Operator's cabin: compact type crane cabin air conditioners with 1+1 redundancy

CRANE CABIN COOLERS

Steel mill process crane. Electrical room: 4x10kw cooling capacity, redundant compact type crane cabin cooler. Operator cabin: compact type crane air conditioner

CRANE CABIN COOLERS

Teeming crane 150 / 50 ton. Electrical room: 2 package type crane cooler. Ambient temperature : 80 degree C.

CRANE CABIN COOLERS

Coke wagon, electric room and operator cabin cooling, filtration

CRANE CABIN COOLERS

Coke wagon, electric room and operator cabin cooling, filtration

GRAIN COOLING UNITS

550 tons of grain cooling capacity per day.

GRAIN COOLING UNITS

800 tons of grain cooling capacity per day.

EXPLOSION PROOF AIR CONDITIONERS

Oil and gas industry. Oil production platform crane cabin. Explosion-proof crane cabin air conditioner for zone-1

AIR & WATER COOLED INDUSTRIAL WATER CHILLERS / EXPLOSION PROOF COOLING UNITS

Oil and gas industry. Explosion proof- zone1 100% redundant, automatic switch-over, water cooling units, exproof water chiller for zone1.

AIR & WATER COOLED INDUSTRIAL WATER CHILLERS / EXPLOSION PROOF COOLING UNITS

Oil and gas industry. Explosion proof- zone1 100% redundant, automatic switching, water cooling units, exproof water chiller for zone1.

AIR PRESSURISATION & FILTRATION UNITS

Hydraulic room air filtration and pressurization unit. Air filtration and pressurization unit. Industrial water cooled package type air conditioner.
